

**Resolution No: \_\_\_\_\_**

**A resolution supporting legislation increasing the state minimum wage to \$9.50 per hour by 2015 and index it to inflation**

Whereas, In the richest nation on earth, it is simply wrong for anyone who works full time to live in poverty; and

Whereas, Full-time wages for someone earning \$7.25 an hour come to only \$15,080 a year and that is not enough to meet basic needs; and

Whereas, In Minnesota, 357,000 low-wage workers deserve a raise. They help us raise our children, care for our aging parents, clean our offices, serve our food, and more. They help everybody else do their jobs, yet they do not share the prosperity they help create. Their professions have been undervalued for far too long and it's time to make their hard work pay; and

Whereas, In a Minnesota family with two full-time working adults and two children, each parent needs to earn \$14.03 an hour just to meet basic needs; and

Whereas, Raising the minimum wage to \$9.50 an hour would pump more than \$470 million in consumer-spending power to fuel Minnesota's economy; and

Whereas, Although raising the minimum wage to \$9.50 per hour remains popular – with support consistently polling above 70 percent – this strong public support has not translated into action by the Minnesota Legislature; and

Now, therefore, be it resolved by the City Council of the City of Minneapolis, that the City of Minneapolis supports the campaign to ask the Minnesota Legislature to raise the minimum wage to at least \$9.50 by 2015 and index it to inflation; and

Now, therefore, be it resolved by the City Council of the City of Minneapolis will ask our community to contact their State Legislators and deliver the following message: "Please support legislation that will raise the minimum wage to at least \$9.50 by 2015 and index it to inflation."

**ADOPTED** by the Minneapolis City Council this 21st day of January, 2014.
